

**Brand: AutoCool**

**Model: A1000**

### Main Functions:

- ◆ Including Recovery, Vacuuming, Charging, etc. can be combined arbitrarily, it is fully automatic.
- ◆ Recovered refrigerant comply with SAE J2788 standard.
- ◆ Separate and drain old oil automatically.
- ◆ Removes incondensable gases and moisture automatically.

### Characteristics:

- ◆ 8" Touch screen and digital gauges
- ◆ Fully Automatic
- ◆ R134a or R1234yf Refrigerant models
- ◆ Latest database for nearly 2000 vehicles with Australia car data
- ◆ Thermal Printer built-in.
- ◆ Vacuum leak test.
- ◆ Nine sensors built-in ,for work tank, pressure gauges ,oil bottles etc. Acurate Refrigerant & Oil recharge.
- ◆ Current work progress showing on screen. All maintenance data is recorded for further analysis.

### Specifications:

Recovery Speed	Vacuum Speed	Recycle Speed	Charge Speed	Work Tank Capacity	Drier-Filter Capacity	Scale Accuracy
11g/s	3.2L/s	13g/s	38g/s	10kg	98kg	±1g
